WELCOME TO STOCKHOLM

Dear Athletics Friends,

Welcome to Stockholm and BAUHAUS-galan, one of the stops on the Wanda Diamond League circuit. We are proud to present a top-class athletics' meeting with a lot of interesting global and Swedish stars!

Our staff are keen to offer a professional and high level of media service. Please don't hesitate to ask if you have any questions.

The Stockholm Olympic Stadium is the oldest Olympic arena still in use. We are proud of this stadium and its 109 years old history even if there are some practical challenges running a modern meet in such an old stadium. However, we believe it's more than worth it to experience world-class athletics in this classic arena.

In this media information we hope that you will find all the practical information you need, but we are available to assist you with any further questions you may have. Once again, welcome to BAUHAUS-galan, a part of the great Wanda Diamond League!

Kind Regards,

John-Eric Ericsson

Make sure to keep distance and stay safe during your visit and follow the guidelines provided by the Public health agency of Sweden, <https://www.folkhalsomyndigheten.se/the-public-health-agency-of-sweden/communicable-disease-control/covid-19/>.

At the press tribune you should be seated maximum two at each table or keep distance on the regular tribune.

In the mixed zone show respect to the athletes and keep distance between yourselves.

Local procedures during BAUHAUS-galan Wanda Diamond League

Non vaccinated media representatives are asked to do a Covid-19 self-test (quick antigen test) when arriving at the Stockholm Olympic stadium. The local organizing committee including officials and people attending the VIP, will also carry out a self-test on the competition day.

In Sweden it is not mandatory to use face masks. However, the local organizing committee, including officials will wear face masks during the competition.

Any individual with a positive Covid-19 test shall immediately leave the arena and go home/back to the hotel. For assistance and support please contact the media chief.

Travel Restrictions to Sweden

Latest travel regulations and entry ban can be found at the Swedish Police website, <https://polisen.se/en/the-swedish-police/the-coronavirus-and-the-swedish-police/travel-to-and-from-sweden/>

In short, if you are traveling from an EEA country and are a holder of an EU covid certificate in the form of certificate documenting that the holder has been vaccinated against covid-19 (vaccine certificate), has a negative test result from testing for ongoing covid-19 infection, taken within 72 hours from the time of border crossing, or recovery from covid-19 (recovery certificate), or presentation of an equivalent certificate, no further bans are enforced.

If you are traveling from a non-EEA country, including UK, you need to provide a negative test result documenting that the holder does not have an ongoing covid-19 infection, which is max 48 hours old, and must be covered by at least one exemption to the general entry ban. Non vaccinated individuals should follow the Public Health Agency of Sweden's recommendations for everyone travelling to Sweden from abroad.

Participants at WANDA Diamond League / BAUHAUS-galan are eligible to be exempted from the general entry ban because they are:

ENTRANCE TO THE STADIUM

Entrance to the stadium is on Lidingövägen near the Clock Tower. Look for the tower and when you get close to it you should see a sign saying 'Klocktornet'. You're in the right place. Just to the right of that 'Klocktornet' sign is the media entrance. For those acquainted with the stadium, the clock tower is located just at the end of the home stretch, close to the finish line of the track.

The sub-media center will be opened from Friday 2nd July, but only staffed during the hours marked below. During the press conference, a temporary sub-media center will be available at BAUHAUS. The Welcome desk at the hotel can help you with your accreditations.

Saturday, 10 am - 8 pm, (staffed 6 pm – 8 pm)

Sunday, 10 am – 2 pm

Main-media center

The main-media center is located at the Stockholm Olympic Stadium.

Opening hours

Sunday 2 pm - end of meeting

MEDIA TRIBUNE

You will be assigned a specific seat in the media tribune. The media tribune is temporarily built on the regular stands to accommodate you in the best possible way. There are certain limitations when working with a stadium that is 100 years old and this has been introduced as a measure to improve the situation for media from previous meets. The media tribune is located after the finish line, take left directly after entering.

MIXED ZONE

All interviews with the athletes should take place in the mixed zone. In the case of a world record or other extraordinary event, a press conference may be held and you will be informed. You will reach the mixed zone through the media center.

PHOTOGRAPHERS

Tommy Holl (mobile.+46 70 318 94 33) is our photo chief during BAUHAUS-galan. He will be assigning people to the infield and setting the various photo zones. A photo briefing will be held at 2 pm (14.00) in Stockholm Olympic Stadium on Sunday 4th July in the photo room. There will be signposts to the photo room and plenty of personnel on hand that can direct you there if necessary.

It's worth noting that there will be a 'no go' zone right after the finish line and about 30 m beyond it. We will have someone ensuring that this zone is kept free but do bear it in mind in advance.

For those of you who are taking shots from the stands, it's also worth reminding you that the places to stop and sit and take a shot are those where there are no spectators being obstructed from their view.

PRE-EVENT PRESS CONFERENCE

A series of press conferences will take place on Saturday 3rd July from 1.00 pm until around 3.00 pm at BAUHAUS Sickla, a map can be found on our webpage, <https://stockholm.diamondleague.com/en/media/info/>. Detailed schedule and attending athletes will be sent to accredited media representatives before the press conference.

TRANSPORT

Public Transport

To the official meeting hotel

Scandic Continental is located directly in front of the Stockholm Central Station, just a short walk from the Arlanda Express track. Take the main exit and cross the street, see map below. From Arlanda Express follow the signs towards "Track 10", when you are in the main hall exit on the opposite side as "track 10", see map at our website (<https://stockholm.diamondleague.com/en/media/info/>). The media center will be located at the second floor, the conference floor.

To the Stockholm Olympic Stadium

The underground system (Tunnelbana, recognizable by a 'T' sign) is probably the best way to get to Stockholm Olympic Stadium via public transport. Take the red line to Mörby Centrum from Stockholm Central Station and get off at STADION. Take the exit that is closest to the front of the train and you'll find yourself right outside the stadium. The journey takes around 4 minutes from The Central Station (T-Centralen).

Taxi

We recommend you to choose some of the larger taxi companies in Stockholm:

Taxi Stockholm: +46 8 15 00 00

Taxi Kurir: +46 8 30 00 00

Sverige Taxi: +46 20 20 20 20

WEATHER

Stockholm in the summer can provide many warm and pleasant evenings but there are no guarantees. We're in Scandinavia after all and those northern latitudes can result in cool evenings. A good tip is to make sure you have a warm top with you in case the temperatures fall.

Very welcome to BAUHAUS-galan!
